### Lot C Arthur Highway Murdunna TAS

This gently sloping block of land overlooks King George Sound and enjoys all day sun and glorious sunsets. It would be an ideal block for a family holiday home or for extended family or friends to build and share. The block offers plenty of privacy and numerous potential building sites (stca) amidst the light coastal forest. The access road is already in place.

You will be within walking distance of the Murdunna Roadhouse for your fuel, groceries and takeaway coffee/meals. You can launch your boat from the public boat ramp just a couple of minutes drive up Sommers Bay Road and sheltered moorings are available from the relevant authorities. If surfing is your passion then there are several great surfing beaches in the area or, for the children, there are some lovely sandy child-friendly beaches within easy reach.
